## CHOOSE TO REUSE

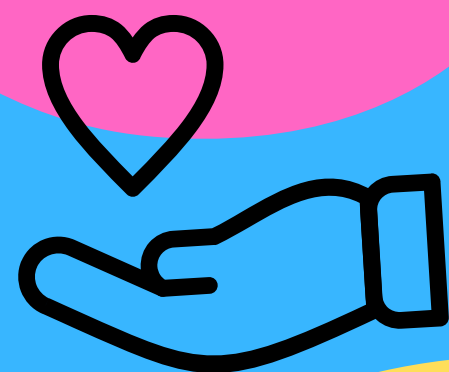

We collected over 500 items!

You helped us rehome almost 1,350 items! Remember, Reuse rules!

In August we saved over 14,500Kg from being sent to landfill!

What does that look like???  
Imagine around 400 dropleaf tables

Our fantastic volunteers gave us almost 200 hours of their time!

A big thank you to them!
